Angel's Wrap - alternative pattern

NOTES: Garter stitch, hand knit

This Angel's Pocket is knit in 4 sizes. It is used on the labour suites for tiny babies who do not make it. Some of these babies are very small and / or fragile, so these little wraps are used.

Please use wool no thicker than 4 ply in white or any pastel colour. 3 or even 2 ply is fine especially for the smaller ones. Use the larger sizes and adjust needles to suit. They will of course come out smaller.
