R13 purl

Cast off 5sts

Tail

Cast on 29 stitches

R1 knit front and back into each stitch (60sts)

R2 purl

Cast off.

Making up

Using the cast on tail end, sew a running stitch around cast on stitches and pull to gather.

With right side facing out, partially over sew side seam (do not cut yarn).

Partially stuff and then embroider features, finish stuffing and then continue sewing side seam.

Sew a running stitch to close base of head. I tied the two tail ends together to finish off and then weaved ends through the head.
