

Playing card holder Instructions

What you need

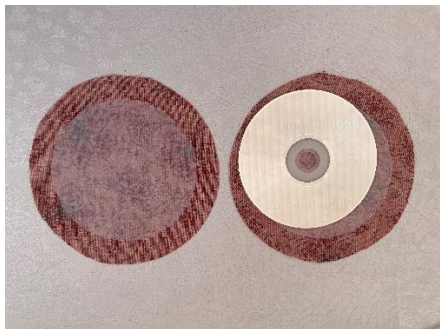

Fabric
Interfacing

Two CD's or DVD's
Two Large Buttons

'Pritt Stick' type glue stick
Needle and thread

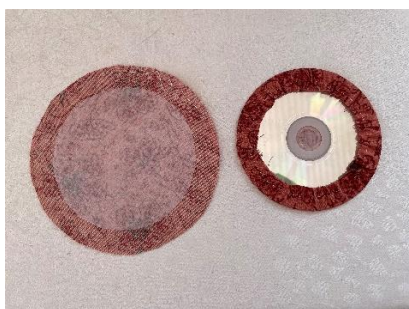

Cut out 1 x 15 cm Circle in Main fabric.

Cut out 1 x 12 cm Circle in Interfacing (size of the CD disk).

Iron the 12 cm circle of interfacing onto the back of your 15 cm of main fabric.

Using a needle sew a running stitch all the way round the edge of the fabric circle about ¼" from the edge.

Using 'Pritt Stick' put a layer of glue onto the CD / DVD. Glue your CD / DVD onto the main fabric make sure it is in the centre.

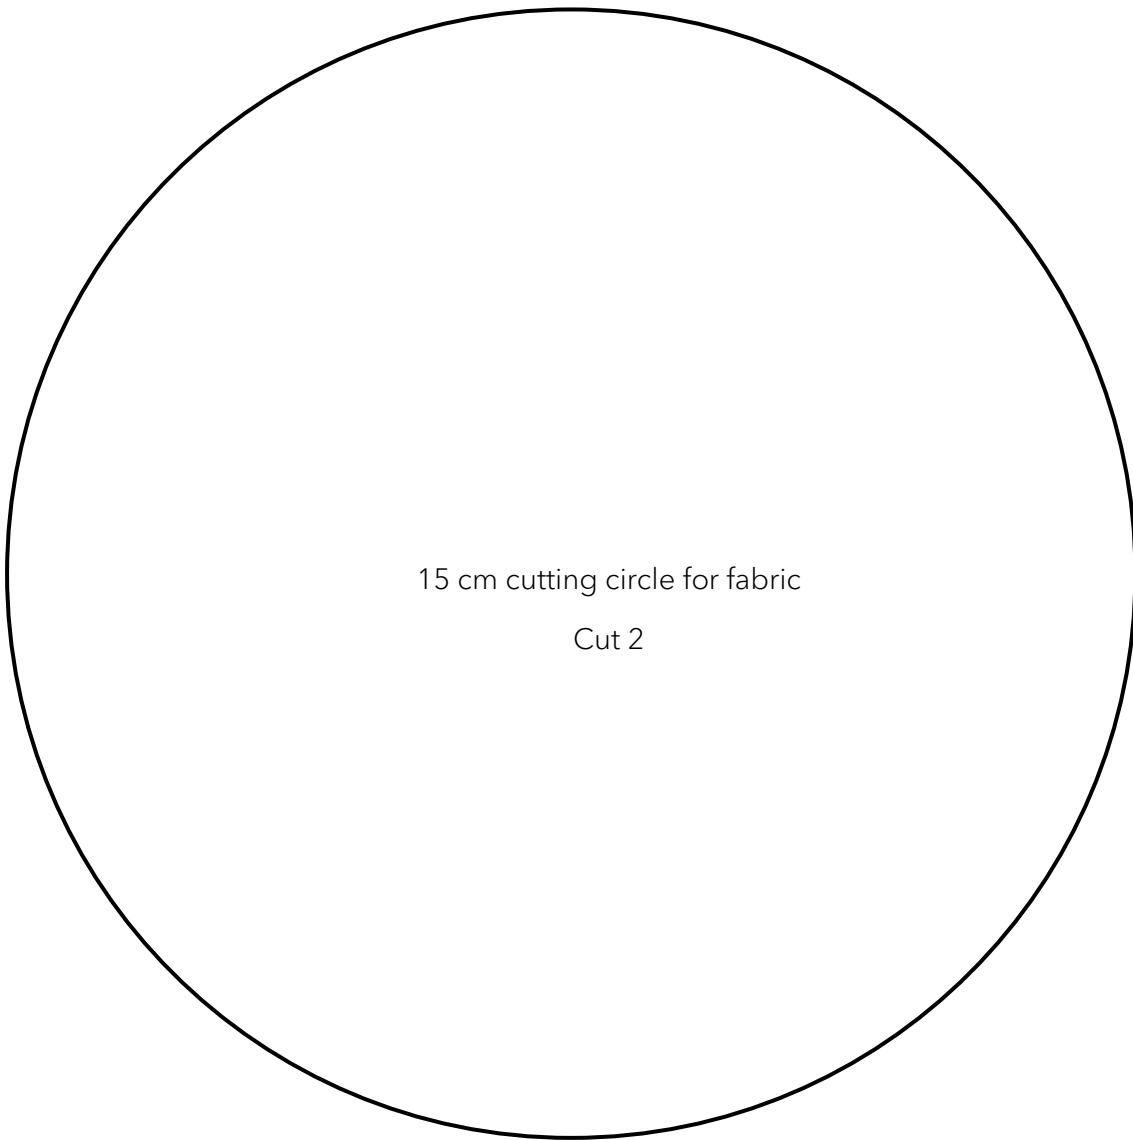

Gather up by pulling both ends of your running stitch, then tie the ends together.

Repeat this for the other CD / DVD.

To join the two CD / DVD's together, sew a button either side of the holder by sewing through the centre of the circle, continue to sew from one button to the other to make a strong join between the two sides of the holder.
