3.5mm Hook

Sewing needle

Scissors

One Ice cream tub (cover over writing with white paper please).

Outer Cover worked in the round. (This can also be worked flap just ch1 at beginning of each row).

Chain 86 ss together making sure not to twist it

Ch 1 1dc into each chain 86sts for foundation row.

Now work 14 rounds in dc putting marker in first st on each row.

Next row 1dc into back loop only = 86dc (This makes it sit better over the top).

Work 14 more rows in dc finish off leave a long end to sew up with and put aside.

Base for Cover work 2 of these.

Foundation Row Ch12 miss first ch 1 dc into each ch = 11

Work 5 rows in dc inc 1 st at each end of each row (you should now have 21dc).

Ch1 Dc into eh dc = 21

Working straight for 5" (about 28 row including foundation row).

Now work 5 more rows dec 1st at each end of the row 11sts left finish off leaving a long tail for sewing up.

This is now ready to put together.

Turn outside cover inside out and put over the tub

Sew one of the base to the bottom.

Then take it off the tub.

Turn right side out and put inside tub turn outside cover over the side then sew other base on the bottom.

Sew this on neatly as this is the outside.

Blanket and pillow for the Angel Cribs

White 4ply & 3.5 Hook

Blanket ch36 miss first ch 35dc across the rest of the chain. Work 35dc in each row until 5"

Last row ch2 miss first dc 1 trb in next then go back to the one missed and do 1trb this makes a crossover st rep till end finish off.

Pillow I've made this in the round but can also be made flat.

Ch40 Ss together but make sure you don't twist it.

Work in rounds for 2" finish off with pattern on top of Blanket.

Hold top together and slip st together stuff and sew up the bottom.

Finished with a fabric mattress (They will have these at HQ).
